VOTING OPTIONS AND PROXIES

If you do not plan to attend the meeting in person, you are encouraged to complete and return the Proxy Form which accompanies this Notice of Meeting.

Voting by Proxy

A Securityholder who is entitled to attend and vote at this Meeting is entitled to appoint not more than two proxies to attend and vote on the Securityholder's behalf.

If the Securityholder appoints two proxies, the Securityholder may specify the proportion or number of votes each proxy is entitled to exercise. If no proportion or number of votes is specified, each proxy may exercise half of the Securityholder's votes. If the specified proportion or number of votes exceed that which the Securityholder is entitled to, each proxy may exercise half of the Securityholder's votes. A proxy need not be a Securityholder of the Group. A body corporate appointed as a Securityholder's proxy may appoint a representative to exercise any of the powers the body may exercise as a proxy at the Meeting. The representative should bring to the meeting evidence of his or her appointment, including any authority under which the appointment is signed, unless it has previously been given to the Group.

Subject to the specific proxy provisions applying to Items 2, 5, 6 and 7 (see below):

Proxy Voting by the Chairman

For Item 2 (Remuneration Report), Item 5 (Approval of Rights Plan Rules) and Items 6 and 7 (Grant of Rights to the CEO), where the Chairman is appointed as a Securityholder's proxy and that Securityholder has not specified the way in which the Chairman is to vote on Items 2, 5, 6 and 7, the Securityholder is directing the Chairman to vote in accordance with the Chairman's voting intentions for these items of business; even though Items 2, 5, 6 and 7 are connected with the remuneration of Key Management Personnel.

The Chairman intends to vote all undirected proxies in favour of the resolutions put in the Notice of Meeting, including Items 2, 5, 6 and 7.

Proxy Forms

To be effective, the Proxy Form must be completed, signed and lodged (together with the relevant original power of attorney or a certified copy if the proxy is signed by an attorney) with the Group security registry, as an original or by facsimile, no later than 1.00pm (AEDT) on Sunday 13 November 2016 (**Proxy Deadline**).

Notice of Meetings 2016

INGENIA COMMUNITIES GROUP

Explanatory Notes

Notes on Business

ITEM 1 – Financial Statements and Reports

As required by section 317 of the *Corporations Act 2001* (Cth) the Financial Report, Directors' Report and Auditor's Report of the Company for the most recent financial year must be laid before the Meeting.

The Company's financial report comprises the consolidated financial report of the Company and its controlled entities, including the Ingenia Communities Fund and the Ingenia Communities Management Trust.

There is no requirement for a formal resolution on this Item.

The Chairman of the Meeting will allow a reasonable opportunity at the Meeting for Securityholders to ask questions about or make comments on the management of the Group. Securityholders will also be given a reasonable opportunity at the Meeting to ask the Group's auditor, Ernst & Young (EY) questions about the Auditor's Report, the conduct of its audit of the Group's Financial Report for the year ended 30 June 2016, the preparation and content of the Auditor's Report, the accounting policies adopted by the Group in its preparation of the financial statements and the independence of EY in relation to the conduct of the audit.

Securityholders may submit written questions to the Company in relation to the above matters.

A form to facilitate the submission of questions is attached to this Notice and it includes details on the return of this form to the Share Registry.

ITEM 2 – Adoption of remuneration report

In accordance with section 300A of the Corporations Act the Company has proposed a Remuneration Report for the consideration of Securityholders.

As provided by section 250R(3) of the Corporations Act, the resolution on this item of business is advisory only and does not bind the Board or the Company.

The Company has designed a remuneration framework to support both a high performance culture and a team focus on adhering to agreed business objectives and directions.

The objective of the Group's executive reward framework is to ensure reward for performance is competitive and appropriate for the results delivered. The framework aligns executive reward with achievement of strategic objectives and the creation of value for Securityholders and conforms to market practice for delivery of reward.

Directors' Recommendation

The Board unanimously recommends that Securityholders vote in favour of this resolution.

Voting Exclusion Statement

As required by the Corporations Act, the Group will disregard any votes cast on Item 2 by any member of the Group's Key Management Personnel (**Key Management Personnel** or **KMP**) or a Closely Related Party of any such member unless:

- i. The person votes as a proxy appointed by writing that specifies how the person is to vote on the resolution; or
- ii. The person is the Chairman of the Meeting and votes as a proxy appointed by writing that authorises the Chairman to vote on the resolution even though that resolution is connected with the remuneration of a member of the Group's KMP.

What this means for Securityholders: If you intend to appoint a member of the KMP (such as one of the Directors) as your proxy, please ensure that you direct them how to vote on the proposed resolution in Item 2. If you intend to appoint the Chairman of the Meeting as your proxy, you can direct him how to vote by marking the boxes for Item 2 (for example, if you wish to vote for, against or abstain from voting), or you can choose not to mark any of the boxes for Item 2 and give the Chairman your express authority to vote your undirected proxy (in which case the Chairman will vote in favour of this item of business).

ITEM 3 – Re-election of Directors

In accordance with the Company's Constitution and ASX Listing Rule 14.5 an election of Directors must be held at each AGM. Under clause 74.1 of the Constitution, the minimum number of directors to retire from office and offer themselves for re-election is one. Further, clause 74.4 of the Constitution and ASX Listing Rule 14.4 state that Directors are not to hold office (without re-election) past the third AGM following the Director's last appointment or three years, whichever is longer.

Pursuant to clause 74.4 of the Constitution and ASX Listing Rule 14.4, Mr James Hazel and Mr Robert Morrison are retiring by rotation and offering themselves for re-election as Directors of the Group. Details of credentials for Mr Hazel and Mr Morrison follow.

Item 3.1: Mr James Hazel

Mr Hazel is Chairman of the Group and a member of the Investment Committee. He was appointed to the Board in March 2012 and was last elected by securityholders in November 2013.

Mr Hazel has had an extensive corporate career in both the banking and retirement sectors. His retirement village operations experience includes being Managing Director of Primelife Corporation Limited (now part of Lend Lease). Other current listed company directorships include Bendigo and Adelaide Bank Limited and Centrex Metals Limited. He also serves on the Boards of Coopers Brewery Limited and the Adelaide Football Club. Mr Hazel was previously on the board of ImpediMed Limited. Mr Hazel holds a Bachelor of Economics and is a Senior Fellow of the Financial Services Institute of Australasia and a Fellow of the Australian Institute of Company Directors.

Having had regard to the ASX Corporate Governance Principles and Recommendations (3rd edition) (**ASX Principles**), the Board considers Mr Hazel to be an independent director.

Directors' Recommendation

The Board unanimously (other than Mr Hazel) supports the re-election of Mr Hazel and recommends that Securityholders vote in favour of this resolution.

Item 3.2: Mr Robert Morrison

Mr Morrison is Deputy Chairman of the Group, Chairman of the Investment Committee and a member of the Audit and Risk Committee. He was appointed to the Board in February 2013 and was last elected by securityholders in November 2013.

Mr Morrison has extensive experience in property investment and funds management. During his 21 years at AMP, Mr Morrison's executive roles included Head of Property for Asia Pacific and Director of Asian Investments. Mr Morrison's investment experience includes senior portfolio management roles where he managed both listed and unlisted property funds on behalf of institutional investors. Mr Morrison was previously a Non-Executive Director of Mirvac Funds Management Limited, an Executive Director of AMP Capital Limited and a National Director of the Property Council of Australia. He is a founding partner and Executive Director of alternative investments firm, Barwon Investment Partners. Mr Morrison holds a Bachelor of Town and Regional Planning (Hons) and a Master of Commerce.

Having had regard to the ASX Principles, the Board considers Mr Morrison to be an independent director.

Directors' Recommendation

The Board unanimously (other than Mr Morrison) supports the re-election of Mr Morrison and recommends that Securityholders vote in favour of this resolution.

ITEM 4 – Ratification of issue of Stapled Securities

Background

On 14 June 2016, the Group announced a capital raising via a security placement to institutional investors (**Placement**). A total of 21,428,571 securities (**Placement Securities**) were issued and allotted on 21 June 2016.

Reasons for resolution

As outlined in the ASX announcement of 14 June 2016, the Placement was carried out to finance the acquisition of four additional Lifestyle Parks.

Listing Rule 7.1 restricts the number of Equity Securities which a listed entity can issue in any 12 month period, without the approval of Securityholders, to 15% of the number of securities on issue at the start of the period, subject to certain adjustments and permitted exceptions. Listing Rule 7.4 provides that an issue of securities is deemed to have been made with Securityholder approval if Listing Rule 7.1 is not breached at the time the securities were issued and Securityholders subsequently approve the issue.

Therefore, if Securityholders ratify the issue of the Placement Securities pursuant to Item 4, the Group will have the flexibility to issue further Equity Securities up to the 15% limit over the next 12 month period because the Placement Securities will not be counted for the purposes of the 15% limit set out in Listing Rule 7.1.

The following information is provided to Securityholders to allow them to assess Item 4, including for the purposes of Listing Rule 7.5:

- The number of securities allotted and issued: 21,428,571.
- Issue price: \$2.80 per Stapled Security. This price was equal to the Security Purchase Plan offered to eligible Securityholders launched in conjunction with the Placement.
- Terms of the Securities: The Placement Securities allotted and issued rank equally with the existing securities on issue.
- Allottees: The Placement Securities were placed by a broker and allotted and issued to new and existing institutional investors.
- Intended use of funds raised: Funds raised from the issue of the Placement Securities will be used to fund the acquisition of four additional Lifestyle Parks.

Voting Exclusion Statement

The Company will disregard any votes cast on Item 4 by any person who participated in the issue of the Placement Securities under this item and an associate of that person (or those persons). However the Company will not disregard a vote if it is cast as a proxy for a person who is entitled to vote, in accordance with the directions on the Proxy Form, or, it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy decides.

Directors' Recommendation

The Board unanimously recommends that Securityholders vote in favour of this resolution.

ITEM 5: Approval to issue securities under the Ingenia Communities Group Rights Plan

Background

Listing Rule 7.1 allows the Company to issue a maximum of 15% of its capital in any 12-month period without requiring Securityholder approval. Listing Rule 7.2 allows certain issues of securities to be excluded from the calculation of the number of securities issued in the 12 month period, including under exception 9(b), where an issue is made under an employee incentive plan, if within three years before the date of issue, the terms of the plan are approved by Securityholders.

Securityholders last approved the issue of securities under the Ingenia Communities Group Rights Plan (**Rights Plan**) at the AGM held on 12 November 2014. In May 2016, the Board approved changes to the Rights Plan rules and as a result the Group is seeking re-approval for the issue of securities under the Rights Plan.

Notice of Meetings 2016

INGENIA COMMUNITIES GROUP

The key changes made to the rules of the Rights Plan since Securityholders last approved them are:

- The taxing point for performance rights is now the date on which the rights are exercised rather than the earlier vesting date;
- The maximum period for tax deferral has been extended from 7 to 15 years; and
- Non-executive directors (**NEDs**) have been included in the definition of Eligible Employees and are eligible to receive NED Fee Rights in lieu of NED director fees. No NED Fee Rights have been granted and if they are would be subject to securityholder approval prior to them being granted.

The resolution of Item 5 proposes that Securityholders consider and approve the revised Rights Plan in accordance with Listing Rule 7.2, exception 9(b), which would enable securities issued under the Rights Plan over the next three years to be excluded from any calculation of securities for the purposes of Listing Rule 7.1.

The Rights Plan provides for the issuance of Rights, which, upon a determination by the Board that the performance conditions attached to the Rights have been met, will result in the issue of stapled securities in the Group for each Right.

Securities issued under the Rights Plan as at the date of this Notice of Meeting are as follows:

Long Term Incentive Plan Rights: 451,314

Short Term Incentive Plan Rights: 76,548

Summary of the terms of the Ingenia Communities Rights Plan

The object of the Rights Plan is to:

- a. align the interests of Eligible Employees with those of securityholders;
- b. provide incentives to attract, retain and/or motivate Eligible Employees in the interests of Ingenia; and
- c. provide Eligible Employees with the opportunity to acquire Rights, and ultimately Ingenia Securities, in accordance with these Rules.

A summary of the terms of the Rights Plan, including the amendments noted earlier in this Notice, are outlined below. Capitalised terms in this section refer to definitions in the Rights Plan rules.

Grant of Rights: The Board has discretion to grant rights to Eligible Employees on the terms of the Rights Plan and such additional terms and conditions that the Board determines. Unless the Board determines otherwise, no payment is required for the grant of Rights under the Rights Plan.

Eligible Participants: The eligible participants under the Rights Plan are employees of the Group (including Directors), and non-executive directors, or other persons who are determined by the Board to be eligible participants for the purposes of the Rights Plan. In accordance with the Listing Rules, prior Securityholder approval will be required before any Director or related party of the Group can participate in the Rights Plan and be granted Rights.

Information to be provided: The Board will advise each Eligible Employee of the following minimum information regarding Rights at the time of a grant or invitation:

- a. the number or maximum value of Rights being offered, or the method for determining the number or maximum value;
- b. any applicable Conditions and the applicable Period;
- c. the time or times at which Rights may vest;
- d. any amount that will be payable upon vesting of a Right (if applicable);
- e. the period or periods during which Rights may be exercised and the manner of exercise of the Rights (if applicable);
- f. the date, time and circumstances when Rights lapse; and
- g. any other relevant terms and conditions attaching to the Rights or INA Securities held under the Rights Plan (including, for example, any restrictions on transfer of the INA Securities).

Title to Rights: Unless the Board determines otherwise, a Right may only be registered in the name of a Participant. A Right granted under, and subject to, these Rules is only transferable with the consent of the Board or by a court of law. Where a Participant purports to transfer a Right other than in accordance with these rules the Right immediately lapses.

Prohibition against hedging: A participant in the Rights Plan must not enter into any scheme, arrangement or agreement (including options and derivative products) under which the economic benefit to be derived from Rights that remain subject to these Rules are affected, otherwise the Rights will immediately lapse.

Vesting and lapse of Rights: Subject to Board discretion, cessation of employment, fraud or dishonesty, reorganisations and divestment, change of control and Board powers, a Right granted under the Rights Plan will not vest unless the conditions advised to the Participant have been satisfied. The Board may, in its discretion, determine that a Right vests prior to the date specified by the Board.

Subject to the Board's overriding discretion, an unvested Right granted to a Participant will lapse upon the earliest to occur of:

- a. the date specified by the Board;
- b. an event relating to title of the rights, cessation of employment, fraud or dishonesty, reorganisations and divestments or change of control;
- c. failure to meet the conditions by the end of the Period; or
- d. the fifteenth anniversary of the date the Right was granted,

except that paragraphs (a), (b) and (c) have no application to NED Fee Rights.

Satisfaction of vested Rights: The Board will from time to time determine whether INA will, with respect to each Right that is exercised:

- a. issue or procure the transfer to:
 - i. the Participant (or his or her personal representative); or
 - ii. a trustee who is to hold INA Securities on behalf of the Participant,

of the number of INA Securities (including fractions of an INA Security) to which the Participant is entitled in respect of each Right as outlined in the terms of a grant or invitation which may include a formula for calculating the relevant number of INA Securities (**Equity Settled**); or

- b. pay a cash amount equivalent to the market price of an INA Security on the vesting date multiplied by the number of INA Securities contemplated the grant or invitation in full satisfaction of the INA Securities that would otherwise have been allocated on exercise of the Rights (**Cash Settled**).

Ranking of INA Securities: All INA Securities issued under the Rights Plan will rank equally in all respects with other INA Securities on issue, except with regard to any rights attaching to such other INA Securities by reference to a record date prior to the date of allocation of those INA Securities.

Listing on ASX: INA will apply for quotation of INA Securities issued under the Rights Plan within the period required by ASX.

Transfer restrictions: The Board may, in its discretion, impose any trading or other restrictions in respect of INA Securities issued or transferred on the vesting of Rights. The Board must provide a Participant with details of any such restrictions at the time of a grant or invitation. The Board may implement any procedure it considers appropriate to restrict a Participant from trading in INA Securities while they remain subject to these Rules including, without limitation, imposing a holding lock on the INA Securities or arranging for the INA Securities to be held on trust.

Cessation of employment: Where a Participant holding unvested Rights ceases to be an employee of the Group, those Rights immediately lapse. Notwithstanding this, where a Participant holding unvested Rights ceases to be an employee of the Group due to a Qualifying Reason, the Board may, in its discretion, determine the treatment of those unvested Rights. These paragraphs have no application to NED Fee Rights.

Forfeiture of INA Securities allocated on vesting of Rights: The Board may, at its discretion, determine that a Participant, other than a participant holding NED Fee Rights, will forfeit his or her interest in any vested Rights that have not been exercised and in any INA Securities that are allocated to the Participant on exercise of vested Rights that are subject to an additional holding restriction if, during such restriction period, the Participant:

- a. resigns;
- b. is dismissed for cause; or
- c. is terminated in circumstances that, in the opinion of the Board, involve a failure by the Participant to meet acceptable performance requirements in connection with his or her employment.

For the purposes of this Rights Plan, a Participant will only be treated as ceasing employment when the Participant is no longer an employee of the Group.

Capital reorganisation: If:

- a. INA Securities are issued pro rata to INA's Securityholders generally by way of a bonus issue;
- b. INA Securities are offered to INA's Securityholders by way of a rights issue; or
- c. any reorganisation (including a consolidation, subdivision, reduction or return) of the issued capital of INA is effected, then:

the number of Rights to which each Participant is entitled will be adjusted in the manner determined by the Board in order to minimise or eliminate any material advantage or disadvantage to the Participant and in accordance with the Listing Rules. Any new Rights granted will, unless the Board determines otherwise, be subject to the same terms and conditions as the original Rights.

Divestment of material business or subsidiary: Where the Group divests a business designated by the Board for this purpose as 'material', the Board may determine special rules that apply to Participants of that business in relation to the Rights or INA Securities held pursuant to the Rights Plan (and any other entitlements that may arise in relation to those INA Securities). Without limiting the Board's discretion, such rules may include:

- a. varying the Conditions and/or Period applying to the Participant's Rights to take into account the divestment of the business; and
- b. deeming that the Participant remains a Group employee for a specified period.

Takeover bid or scheme of arrangement: If an Event occurs prior to Rights vesting then the Board may, in its absolute discretion, determine whether:

- a. some or all unvested Rights vest or lapse (whether subject to Conditions or not); or
- b. some or all of the unvested Rights remain subject to the applicable Conditions (or substitute Conditions),

having regard to any matter the Board considers relevant, including, without limitation, the circumstances of the Event, the extent to which the applicable Conditions have been satisfied and/or the proportion of the Period that has elapsed at that time.

If an Event occurs after Rights vest, all INA Securities issued or transferred (as applicable) on exercise of the Rights that remain subject to a trading restriction under the Rights Plan will be released from restriction.

An Event occurs where:

- a. a Takeover Bid is made for INA and the Board resolves to recommend the bid; or
- b. a Takeover Bid is made for INA and the bid is declared unconditional at a time prior to the bidder being entitled to 50% of the issued INA Securities in Ingenia; or
- c. a court convenes a meeting of Securityholders to be held to vote on a proposed scheme of arrangement pursuant to which control of the majority of INA Securities may change; or
- d. any transaction or event is proposed that, in the opinion of the Board, may result in a person becoming entitled to exercise control over INA.

Notice of Meetings 2016

INGENIA COMMUNITIES GROUP

Acquisition of securities in another company: If a company (the **Acquiring Company**) obtains control of INA and each of INA, the Acquiring Company and the Participant agree, then a Participant may be provided with securities in the Acquiring Company (or its parent or subsidiary) in substitution for Rights, on substantially the same terms and conditions as the Rights, but with appropriate adjustments to the number and kind of securities the subject of the Rights.

Amendment of the Rules: The Board may at any time, amend, add to, vary, omit from or substitute any of these Rules, provided that any such amendment may not materially reduce or otherwise prejudicially affect the rights attaching to the Rights granted or the INA Securities issued or transferred (as applicable) pursuant to, and still subject to, the Rights Plan, other than an amendment introduced primarily:

- a. for the purpose of complying with or conforming to present or future State or Commonwealth legislation;
- b. to correct any manifest error or mistake; or
- c. to take into consideration possible adverse tax implications for Ingenia or the Participant arising from, amongst other things, adverse rulings from the Commissioner of Taxation, changes to tax legislation (including an official announcement by the Commonwealth of Australia) and/or changes in the interpretation of tax legislation by a court or tribunal of competent jurisdiction.

Board powers: The Board has absolute and unfettered discretion in exercising any power or discretion concerning the Rights Plan.

Directors' Recommendation

The Board unanimously recommends that Securityholders vote in favour of this resolution.

Voting exclusion

The Company will disregard any votes cast on the proposed Item 5 by any Director of the Company (except one who is ineligible to participate in the Rights Plan) and any associate of any such persons. However, the Company need not disregard a vote if:

- a. it is cast by a person as proxy for a person who is entitled to vote, in accordance with the directions on the Proxy Form; or
- b. it is cast by the Chairman as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy does.

In addition, no KMP of the Company or a closely related party of such a member may vote as a proxy on the proposed Item 5 unless:

- a. the person votes as a proxy appointed by writing that specifies how the person is to vote on the proposed Item 5; or
- b. the person is the Chairman and votes as a proxy appointed by writing that authorises the Chairman to vote on the proposed Item 5 even though the resolution is connected directly or indirectly with the remuneration of Key Management Personnel of the Company.

ITEMS 6 and 7: Grant of Short Term Incentive Plan Rights and Long Term Incentive Plan Rights to Mr Simon Owen

The terms of Mr Owen's employment contract with Ingenia allows him to participate in the Ingenia Communities Group Rights Plan. The Board has proposed that for the year ending 30 June 2017, Mr Owen be eligible for Short Term Incentive Plan (**STIP**) Rights and Long Term Incentive Plan (**LTIP**) Rights (**Rights**).

The intention of the Rights Plan is to align Securityholder returns of Ingenia Communities Group with the 'at-risk' compensation potentially payable to executive level employees and to reward executives who remain in employment and perform at the required levels of performance.

For the year ending 30 June 2017, Mr Owen's remuneration comprises the following components:

- fixed remuneration, including statutory superannuation of \$682,500 per annum;
- an at-risk short term incentive of up to 80% of fixed remuneration as a maximum, with half payable in cash and the remaining half settled via Rights and deferred for 12 months; and
- an at-risk long term incentive of up to 50% of fixed remuneration in Rights.

The at-risk deferred portion of the short term incentive (STI) and the at-risk long term incentive (LTI) are granted under the Rights Plan and subject to the rules of that Rights Plan, in addition to the terms and conditions outlined below.

If Items 6 and 7 are approved by Securityholders, the Company will offer Mr Owen the Rights under a letter of offer shortly following the Meeting. The date of that offer will be the date of the grant and the Rights will be issued shortly thereafter.

STIP Award

The amount of the STI, which Mr Owen is entitled to receive, will be determined by the Board, having regard to an assessment of the STIP Performance Conditions set out below following the end of the STI Performance Period (being from 1 July 2016 to 30 June 2017) (**STIP Award**).

The STIP Award is comprised of two components:

- 50% in cash (**STIP Cash Award**); and
- 50% in Rights to INA Securities (**STIP Rights**).

STIP Cash Award

It is intended that the STIP Cash Award will be paid on or about 1 October 2017, provided that Mr Owen continues to qualify for the STI.

STIP Rights

The grant of STIP Rights to Mr Owen is subject to Securityholder approval. The number of STIP Rights to be granted to Mr Owen will be determined by dividing 50% of the maximum STIP Award (determined following testing against the STIP Performance Conditions) by the VWAP of INA Securities for the 30 trading days prior to the grant date (expected to be on or about 1 October 2017).

Total maximum STI Award for FY17: \$546,000
50% of maximum STI Award as STIP Rights: \$273,000

STIP Rights to be granted: \$273,000 divided by the VWAP of INA Securities for the 30 days prior to the grant date (expected to be 1 October 2017).

For example if the VWAP of INA Securities for the 30 days prior to the grant date was \$2.90 and the Board determined that Mr Owen was entitled to the full 50% of his STI Award, then 94,137 STIP Rights would be granted.

No amount is payable in return for the grant of the STIP Rights.

Vesting of STIP Rights

The following terms and conditions apply to the STIP Rights:

- The STIP Rights are subject to a 'malus' provision during the deferral period – this means that some or all of the STIP Rights may lapse (and Mr Owen will not receive INA Securities) if:
 - the Board forms the view that INA's earnings growth is not sustainable (in general, this will require earnings growth to be equal to or above 5% on the prior year); or
 - any of the circumstances set out in rules of the Rights Plan occur such as fraud or dishonesty, a breach of obligations or material misstatement of Ingenia's financial statements.
- The STIP Rights are subject to a one-year deferral period and are eligible to vest on the date that is twelve months following the grant date.
- On the vesting date, Ingenia will cause the relevant number of INA Securities to be issued or transferred to Mr Owen as determined in accordance with the Rights Conversion Formula outlined below.
- No amount is payable in return for the issue or transfer of INA Securities.

STIP Performance Conditions

The STIP Award is subject to the STIP Performance Conditions or Key Performance Indicators (**KPIs**). In each case, the KPIs are set with 'threshold', 'performance' and 'stretch' performance levels (with entitlements calculated on a pro-rata basis between these levels). The KPIs are broken into four broad assessment areas: Financial, Capital Management, Operational and People and Reporting. Each assessment area is weighted to break down the award further. KPIs and their measures are related to the Assessment Areas.

LTIP Award

Grant of LTIP Rights

The grant date, a date on and from the date of this Meeting and within 12 months of the date of this Meeting, of LTIP Rights is expected to be 15 November 2016. The grant of LTIP Rights to Mr Owen is subject to Securityholder approval.

The maximum number of LTIP Rights to be granted will be calculated by dividing the LTIP Award opportunity (being a percentage of Mr Owen's total fixed remuneration) by the VWAP of INA Securities for the 30 trading days prior to the grant date (expected to be on or about 15 November 2016).

Maximum LTIP Rights to be granted: \$341,250 divided by the VWAP of INA Securities for the 30 days prior to the grant date (expected to be 15 November 2016).

For example if the VWAP of INA Securities for the 30 days prior to the grant date was \$2.90, then 117,672 rights would be granted.

No amount is payable in return for the grant of the LTIP Rights.

Vesting of LTIP Rights

Mr Owen's LTIP Rights will vest, to the extent that the Performance Conditions set out below are satisfied at the end of the LTI Performance Period (being from 1 October 2016 to 30 September 2019).

The following terms and conditions apply to Mr Owen's LTIP Rights:

- The LTIP Rights are subject to a 'malus' provision during the deferral period – this means that some or all of Mr Owen's LTIP Rights may lapse (and he will not receive INA Securities) if any of the circumstances set out in rules of the Rights Plan occur such as fraud or dishonesty, a breach of obligations or material misstatement of Ingenia's financial statements.
- On the vesting date, Ingenia will cause the relevant number of INA Securities to be issued or transferred to Mr Owen as determined in accordance with the Rights Conversion Formula outlined below.
- No amount is payable in return for the issue or transfer of INA Securities.

LTIP Performance Conditions

The LTIP Rights offered are subject to the two LTIP Performance Conditions:

- i. 70% based on a relative Total Securityholder Return (**TSR**); and
- ii. 30% based on a Return on Equity (**ROE**).

Relative TSR Performance Condition

TSR is the growth in the security price plus distributions, assuming distributions are reinvested. To minimise the impact of any short-term volatility, Ingenia's TSR will be calculated using the volume weighted average of the closing security price over the 30 days up to and including the trading day prior to the start and the 30 days up to and including the end trading day of the LTI Performance Period.

Notice of Meetings 2016

INGENIA COMMUNITIES GROUP

The LTIP Rights will vest on the following basis:

	Growth rate in INA's TSR	% of LTIP Rights that vest
Below Threshold	Index + less than 1% CAGR	Nil
At Threshold	Index + 1% CAGR	10%
Between Threshold and Maximum	Between Index + 1% and 6% CAGR	10% plus an additional amount progressively vesting on a straight line basis between Threshold and Maximum
Maximum	Index + 6% CAGR	100%

CAGR: compound annual growth rate

Index: ASX 300 Industrial Index

It is important to note that Mr Owen must outperform the Index to qualify for an award of LTIP Rights.

ROE Performance Condition

ROE is defined as Underlying Profit divided by Net Assets. The relevant metric is the ROE achieved in FY19.

Vesting levels for FY19 are:

Threshold	ROE >	8.0%
Performance	ROE = or >	9.0%
Maximum	ROE = or >	10.0%

FY17 LTIP Rights will vest on the following basis:

At Threshold	Nil
Above Threshold and below Maximum	30% plus an additional amount of progressive vesting on a straight line basis to 100%
Maximum	At or above Maximum 100%

Rights Conversion Formula

Each vested STIP Right and LTIP Right (as relevant) entitles Mr Owen to receive one INA Security plus an additional number of INA Securities calculated on the basis of the distributions that would have been paid in respect of the INA Security during the relevant Period being reinvested in accordance with the following Rights Conversion Formula:

$$INA\ Security\ entitlement \stackrel{def}{=} E = \left(1 + \frac{dis_1}{P_{dis_1}}\right) * \left(1 + \frac{dis_2}{P_{dis_2}}\right) * \dots * \left(1 + \frac{dis_n}{P_{dis_n}}\right)$$

where:

- E is the entitlement conversion factor;
- $dis_1, dis_2, \dots, dis_n$ are the distributions paid on an INA Security over the Period (with n being the total number of distributions paid over that Period);
- $P_{dis_1}, P_{dis_2}, \dots, P_{dis_n}$ are the end-of-day prices on the date that the distributions are paid (i.e. immediate reinvestment of distributions on the distribution date).

The total number of INA Securities that Mr Owen will receive upon vesting of the STIP Rights and/or the LTIP Rights will be the number of vested Rights converted multiplied by E , with the result rounded up to the nearest whole number.

Securityholder approval – Corporations Act

Under Part 2D.2 of the Corporations Act, subject to a number of exemptions, Securityholder approval must be obtained before the Company (or a Related Body Corporate or prescribed superannuation fund in relation to the Company) can give a person a “benefit” in connection with the person's retirement from a managerial or executive office.

Under the Rights Plan, where a participant in that plan ceases to be an employee of Ingenia (other than in prescribed circumstances) all unvested Rights held by that participant will lapse. In circumstances where the reason for that participant ceasing employment is because of death, total and permanent disability, retirement or redundancy (as determined by the Board) or any other reason with the approval of the Board, the Board has discretion as to how unvested Rights are to be treated. In the context of exercising this discretion, providing Securities to the person may constitute a termination benefit regulated by Part 2D.2 of the Corporations Act.

For a person who holds a managerial or executive office with the Company (or a Related Body Corporate), if Rights vest because a person ceases to be employed due to death, disability or any other reason in the Board's discretion, the person will receive a benefit in connection with retirement from office, or position of employment regulated by Part 2D.2 of the Corporations Act. The value of the benefit received will be the market price of the Stapled Securities that are received following the exercise of the vested Rights.

Securityholder approval – ASX Listing Rules

ASX Listing Rule 10.14 requires Securityholder approval before a Director can acquire securities or rights to securities under an employee incentive scheme. Approval from Securityholders is being sought to grant rights to Mr Owen under the Ingenia Communities' Rights Plan in respect of the period immediately following this Meeting, with any Rights issued within 12 months after the date of this Meeting.

Information required by ASX Listing Rule 10.15

ASX Listing Rule 10.15 requires the following information to be disclosed in relation to the Rights to be granted to Mr Owen under the Rights Plan:

i. Maximum number of Rights and Stapled Securities

The maximum number of Rights that may be granted to Mr Owen within 12 months of this Meeting is the sum of the maximum STIP Rights and LTIP Rights to be granted. The maximum STIP and LTIP Rights to be granted are calculated as follows:

ITEM 6:

Maximum STIP Rights to be granted: \$273,000 divided by the VWAP of INA Securities for the 30 days prior to the grant date (expected to be 1 October 2017).

ITEM 7:

Maximum LTIP Rights to be granted: \$341,250 divided by the VWAP of INA Securities for the 30 days prior to the grant date (expected to be 15 November 2016).

Thus, for example if the VWAP of INA Securities for the 30 days prior to the grant date was \$2.90, then 94,137 STIP Rights and 117,672 LTIP Rights totalling 211,809 rights would be granted.

After the grant of Rights, the number of Stapled Securities that Mr Owen may receive at the end of the vesting period on the vesting date will be determined having regard to the satisfaction of the relevant Performance Conditions and Rights Conversion Formula.

The Board retains discretion on whether entitlements to Securities will be settled via the issue of INA Securities or via the payment of cash. On vesting of the Rights, the Board will decide on or around the vesting day whether entitlements to Securities will be Equity Settled or Cash Settled.

ii. Price for each Right (and the price for each INA Security that vests)

No payment for the Rights or upon vesting of the Rights is required by Mr Owen.

iii. Securities under the Rights Plan received since the last approval

- 122,938 LTIP Rights were issued to Mr Owen under the Rights Plan in November 2015, for zero acquisition price; and
- 52,199 STIP Rights were issued to Mr Owen under the Rights Plan in October 2015, for zero acquisition price.

It is anticipated that the following STIP Rights will be issued to Mr Owen under the Rights Plan in October 2016:

\$208,000 divided by the 30 day VWAP prior to the grant date (expected to be 1 October 2016).

iv. Persons who are entitled to participate in the Rights Plan

The eligible participants under the Rights Plan are employees of the Group (including Directors) or others who are determined by the Board to be eligible participants for the purposes of the Rights Plan.

Current participants in the Rights Plan are Mr Simon Owen (Managing Director and Chief Executive Officer) and senior executives in the business. The granting of the Rights to senior executives other than Mr Owen did not require Securityholder approval. The details of these grants are outlined in the Company's Remuneration Report contained in the 2016 Annual Report.

The Board may agree that other nominated members of the executive management team may participate in the Rights Plan for the year ended 30 June 2017 in terms of both the deferred equity STI and LTI.

Mr Owen is the only person referred to in ASX Listing Rule 10.14 who is currently entitled to participate in the Rights Plan.

v. Terms of any related loan

There is no loan provided in relation to the acquisition of the Rights by Mr Owen.

vi. Issue date of Rights

The Rights will be granted to Mr Owen no earlier than immediately following this Meeting and no later than 12 months after this Meeting, on the conditions described in the Explanatory Notes.

Voting exclusion

The Company will disregard any votes cast on the proposed Items 6 and 7 by any Director of the Company (except one who is ineligible to participate in the Rights Plan), including Mr Owen and any associate of any such persons. However, the Company need not disregard a vote if:

- a. it is cast by a person as proxy for a person who is entitled to vote, in accordance with the directions on the Proxy Form; or
- b. it is cast by the Chairman as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy does.

In addition, no KMP of the Company or a Closely Related Party or Associate of such a KMP may vote as a proxy on the proposed Items 6 and 7 unless:

- a. the person votes as a proxy appointed by writing that specifies how the person is to vote on the proposed Items 6 and 7; or
- b. the person is the Chairman and votes as a proxy appointed by writing that authorises the Chairman to vote on the proposed Items 6 and 7 even though the resolution is connected directly or indirectly with the remuneration of KMP of the Company.

Directors' Recommendation

The Board unanimously (other than Mr Owen) recommends that Securityholders vote in favour of the resolutions in items 6 and 7.
