

30 June 2022

Dear Security holders,

Recent legislative changes to the Corporations Act 2001 (Cth) mean there are new options available to **Ingenia Communities** security holders as to how you receive communications from **Ingenia Communities**.

Ingenia Communities will no longer be sending physical meeting documents unless you request a copy to be posted.

Ingenia Communities encourages all security holders to provide an email address so we can communicate with you electronically when security holders notices become available online, for items such as meeting documents and annual reports.

Security holders can still elect to receive some or all of their communications in physical or electronic form, or elect not to receive certain documents such as annual reports. To review your communications preferences, or sign up to receive your security holder communications via email, please update your details at <https://investorcentre.linkmarketservices.com.au/Login/Login>

If you are a security holder and would like a physical copy of a communication, need further information about the options available to you or have questions about your holding, visit <https://www.linkmarketservices.com.au> or contact the Registry:
